BILATERAL MEETINGS

(11.40a.m. - 4.15p.m.)

DESCRIPTION JKP Tržnica Novi Sad opened the first "organic street" in Novi Sad, the Riblja pijaca. Our fellow citizens will now be able to buy seasonal fruit and vegetables produced by organic principles, as well as to obtain information from the manufacturer what is organic food and how to recognize it. Manufacturers who offer their products are from Čenej, Futog, Kisač, Pivnice, Temerin and other places in Vojvodina and all of them have certificates issued by accredited certification body.
